DRUG REPOSITORY SERVICE

I would like to turn in my old/leftover (but regulated) prescription drugs to be disposed of by the Burlington Police Department. How do I do that?

The Burlington Police Department offers a program for CITY OF BURLINGTON RESIDENTS to drop off old or leftover **REGULATED** prescription drugs at the Burlington Police Department for proper disposal during specified hours: **Monday through Friday 9:00 a.m. to 10:00 a.m., and 4:00 p.m. to 5:00 p.m.**, at the Uniformed Services entrance. Please call (802) 540-2417 if you have any questions. Thank you.
